

## Product Range

Chanakya is in the signage and visual communications space

We customize and design your requirement on the basis of sound technical expertise.

Supplies from our companies have reached more than 100 brands.

We have worked with brand managers, visual communication, designers, sign makers, advertising executives, material manufacturers, resellers and visual merchandisers.

Our Products:

- **Self Adhesive Films and Specialized Tapes**
- **Sign Materials**
- **Signage**
- **Plastic Stickers, Labels, and Decals for outdoor use.**

We work with **GSE** and **Refuelling** companies and are expanding in sectors like aviation among others.

We are happy to share our specialized knowledge.
